

**Southern California Earthquake Center  
Annual Report, 2000  
February 16, 2001**

Jean-Bernard Minster, Principal Investigator,  
Institute of Geophysics and Planetary Physics, A-025  
Scripps Institution of Oceanography, UCSD, La Jolla, Ca, 92037-0225  
**SCEC Science Director Report**

During the reporting period, the P.I. was first Acting Science Director of SCEC, and later was elected Science Director.

As such, the PI participated in the following science meetings relevant to SCEC science goals, in addition to the SCEC Board of Directors and Steering Committee meetings.

Jan 16 — Jan 21	ACES planning meeting, Tokyo
Feb 24	CalTrans meeting, Sacramento
Mar 14 — Mar 16	Interagency SAR workshop, Washington, D.C.
Mar 16 — Mar 17	Kei Aki Symposium, USC
Mar 22 — Mar 28	GEM workshop, Maui
Apr 3 — Apr 5	NASA Long range planning meeting U. Md
Apr 9 — Apr 12	SSA meeting, San Diego (as host)
Apr 12 - Apr 13	UNAVCO meeting, San Diego
Apr 25 - Apr 27	NASA long range planning meeting, U. Md
May 17 — May 19	NASA Briefing, Headquarters, Washington, D.C.
May 29 — June 3	AGU meeting, Washington, D.C.
May 31	EarthScope Steering Committee, Washington, D.C.
Jun 25 — Jun 28	INSAR workshop, USC
Jul 19 — Jul 21	SCEC legacy retreat, (USGS Director), La Jolla
Aug 16	Briefing of US Senate staffers, USC
Aug 21	Briefing of UC lobbyist on EarthScope
Sept 14	Leon Knopoff Symposium, UCLA
Sept 17 — Sept 20	SCEC annual meeting, Oxnard, CA
Oct 14 — Oct 20	ACES workshop, Tokyo
Oct 24 — Oct 27	NASA ESE steering committee meeting
Oct 29 — Oct 31	PBO workshop, Palm Springs
Oct 16	EarthScope & Lidar invited talks, GSA meeting, Reno, NV
Nov 29 — Nov 30	California Remote Sensing workshop, UCSC
Dec 10 — Dec 12	22nd Army research Conference, Baltimore, Md
Dec 14 — Dec 19	AGU Fall meeting, San Francisco, CA
Dec 17	WINSAR steering Committee, San Francisco, CA
Dec 17	EarthScope steering Committee, San Francisco, CA
Jan 5	California Earthquake Initiative planning meeting, UCB
Jan 16	Phase 3 release press conference, USC
Jan 22 — Jan 24	NASA Technology workshop, Arlington, VA
Feb 7 — Feb 9	NASA ESE working Group meeting, JPL

In addition, the PI attended numerous meetings and teleconferences for the preparation of the SCEC-2 proposal, and coordination of partnerships for the SCEC ITR initiative.
